5. An interpreter for Russian at DIA-Chemie since before 1949 is not known by name. She is in her twenties and is hunch-backed.
6. In the case of exports to the USSR, DIA-Chemie sends bills by mail to the competent Soviet import organization in Moscow. Some time later DIA-Chemie is informed by mail by the Deutsche Notenbank that the money owed on the bill has been credited to the account of DIA-Chemie at that bank.
7. DIA-Chemie export order numbers contain a numbering code to designate the country with which the given transaction is being made. The code number for the USSR is 25.
8. DIA-Chemie from time to time procures chemical goods from the West for Soviet customers according to office talk; no concrete examples of this type of transaction are known.
